THE ADATO COLLECTION

This new and exciting range of office seating has been developed by Gus Gurney, a veteran of the commercial seating industry with over 30 years' experience.

The Adato collection brings a modern, fresh and affordable approach to suit most office environments. With Italian style and British manufacturing at the heart of every product, this is an inspiring inaugural range of products to hit the market.

We aim to deliver **Sit-Right; Feel Right Seating** across each of our chair ranges. Giving instant comfort and ergonomic support for you and your clients to enjoy. Each chair comes complete with all the adjustments needed to ensure the perfect fit for you.

PERCH SIT-STAND

The latest addition to the Adato range is slightly out of the norm when it comes to office seating. The Perch provides a different option to the more traditional seating choices. Specially designed with Sit-Stand desking in mind, the Perch allows you the ability to increase the height of the stool from 530mm to a stable 760mm. With an easy-to-use gas height adjustment allowing you to choose the correct height that you prefer to work at in a matter of seconds.

Standard Features:

- Available in red, white or black, with the option of mixing different base and seat colours
- Upholstered seat pad is available in a large range of fabric or vinyl options
- 5 Year warranty
- Arrives complete in a sturdy, easy to post box which can be delivered straight to your client's door
